Please find the below tentative estimation for the subject vehicle as per the visible damages found on the vehicle .Any further replacement / repair of part required during the course of repair shall be verified and included in the estimation. We request you to take prior approval from the insurer for all kept open part approval, if any.

Important Note:

- This Vehicle Repair Order is issued based on Oriental Insurance Company Limited's preliminary inspection/survey of your vehicle.
- Please note that this is not an approval of your claim or an admission of Oriental Insurance Company Limited's liability.
- The final approval is when we issue a Vehicle Delivery Order after completely reviewing your documents (like a valid Registration Certificate, Driving Licence, Fitness
- Certificate (in case of a commercial vehicle) & more) and subject to your adherence to policy terms and conditions.

Note:

- If there is a dismantling of the vehicle or change of any parts, you are required to produce the old parts for the inspection of the Oriental Insurance Company Limited' officials. The final binding decision of the Oriental Insurance Company Limited whether the repair or replacement of any parts was necessary & is approved under the claim will be provided post this inspection.
- In case there is a major damage and the claim is settled & agreed by you on 'Net of salvage' basis, the vehicle becomes the Company's property.
